## Section 1 – Introduction

This directory provides a list of your plan's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

**If you are enrolled in our Aetna Medicare Prime Plan (HMO),** you'll need to use our dedicated network of local primary care providers. We work closely with them to coordinate your care. You still have access to our full list of network specialists and facilities. If you have the Prime HMO plan, you will have to pay out of pocket for out-of-network care. Even if the provider isn't part of the Prime network, you are covered if you need urgent or emergency care, or get out-of-area renal dialysis.

**If you are enrolled in an Aetna Medicare<sup>SM</sup> Plan (HMO),** you will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**rovider (PCP). Note that the list of available PCPs participating in this plan is a dedicated network of local providers who we work closely with to coordinate your care. Generally, you must get your health care services from your PCP. Your PCP will issue referrals to participating specialists and facilities for certain services. For some services, your PCP is required to obtain prior authorization from Aetna Medicare. Except for emergency or urgent care situations and for certain direct access services, you will need to obtain a referral from your PCP before seeking covered non-emergency specialty or hospital care. You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Aetna Medicare will be responsible for the costs.

The network providers listed in this directory have agreed to provide you with your health care, vision, hearing and dental services. You may go to any of our network providers listed

## Sección 1 - Introducción

Este directorio brinda un listado de los proveedores de la red de su plan. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

**Si está inscrito en nuestro plan Aetna Medicare Prime (HMO),** necesitará utilizar nuestra red dedicada de proveedores de atención primaria locales. Trabajamos estrechamente con ellos para coordinar su atención. Usted aún tiene acceso a nuestro listado completo de especialistas y centros médicos de la red. Si tiene un plan Prime HMO, tendrá que pagar la atención médica recibida fuera de la red de su propio bolsillo. Incluso si el proveedor no forma parte de la red Prime, usted está cubierto en caso de necesitar atención médica de emergencia o de urgencia, u obtener diálisis renal fuera del área.

**Si está inscrito en un plan Aetna Medicare<sup>SM</sup> Plan (HMO),** deberá elegir uno de los proveedores de nuestra red enumerados en este directorio para ser su **P**roveedor de **a**tención **p**rimaria (PCP).Tenga en cuenta que la lista de PCP disponibles que participan en este plan es una red dedicada de proveedores locales con quienes trabajamos estrechamente para coordinar su atención médica. Por lo general, debe obtener sus servicios de atención médica de su PCP. Su PCP emitirá referencias médicas a especialistas y centros médicos de la red para determinados servicios. Para algunos servicios, se le exige a su PCP obtener autorización previa de Aetna Medicare. Excepto en situaciones de atención de emergencia o de urgencia y para determinados servicios de acceso directo, deberá obtener una referencia médica de su PCP antes de buscar atención médica especializada u hospitalaria cubierta

in this directory; however, some services may require a referral.

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill. Submit it to Aetna Medicare for processing and determination of your cost-sharing amount, if any. Our claims/billing address is on the back of your ID card.

Certain network health care services, such as hospitalization or outpatient surgery, require prior authorization from Aetna Medicare. This means the service must be approved by Aetna Medicare before it will be covered under the plan. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC). When you need services that require prior authorization from a network provider, the provider is responsible for obtaining prior authorization from Aetna Medicare before treatment. If your plan includes an out-of-network benefit and you decide to receive covered services from an out-of-network provider, we recommend you ask your out-of-network provider to contact Aetna Medicare for prior authorization of those services

## **Emergency care**

If you need emergency care, you are covered 24 hours a day, 7 days a week, anywhere in the world. Whether you are in or out of an Aetna Medicare service area, we simply ask that you follow the guidelines below when you believe you need emergency care.

- Call the local emergency hotline (for example, 911) or go to the nearest emergency facility. Notify your PCP as soon as possible after receiving treatment. Or if a delay would not be harmful to your health, call your PCP.
- If you are admitted to an inpatient facility, you, a family member or friend on your

que no sea de emergencia. Debe acudir a proveedores de la red, excepto en situaciones de atención de emergencia o de urgencia o para diálisis renal fuera del área de servicio. Si recibe atención médica de rutina de proveedores fuera de la red, ni Medicare ni Aetna Medicare serán responsables por los costos.

Los proveedores de la red que figuran en este directorio han aceptado brindarle sus servicios de atención médica, cuidado de la vista, audición y atención dental. Puede acudir a cualquiera de los proveedores en nuestra red que figuran en este directorio; sin embargo, algunos servicios pueden exigir una referencia médica.

En los casos en que los proveedores fuera de la red le envíen una factura directamente a usted, no debe pagar la factura. Presénteselo a Aetna Medicare para su procesamiento y determinación del monto de su costo compartido, si corresponde. Nuestra dirección de reclamos o facturación está en el reverso de su tarjeta de identificación.

Ciertos servicios de atención médica de la red, como hospitalización o cirugía ambulatoria, requieren autorización previa de Aetna Medicare. Esto significa que el servicio debe ser aprobado por Aetna Medicare antes de que esté cubierto por el plan. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

Cuando necesite servicios que requieren autorización previa de un proveedor de la red, el proveedor es responsable de obtener la autorización previa de Aetna Medicare antes de ofrecer tratamiento. Si su plan incluye un beneficio fuera de la red y usted decide recibir servicios cubiertos de un proveedor fuera de la red, le recomendamos que solicite a su proveedor fuera de la red

behalf should notify your PCP or Aetna Medicare as soon as possible.

If you are traveling outside of the Aetna Medicare service area, you are covered for emergency and urgently needed care. Emergency care can always be obtained in or out of the service area from the nearest available provider.

When in the network service area, HMO plan members must use network providers for urgent care unless the providers are not available. When out of the service area, urgent care may be obtained from any qualified provider or when network providers are unavailable. Urgent care may be obtained from a private practice physician, a walk-in clinic, an urgent care center or an emergency facility anywhere worldwide. We will review the information submitted to us by the provider who supplied your care. If the nature of the urgent or emergency problem does not qualify for coverage, you may have to provide us with additional information.

### **Follow-up care after emergencies**

All follow-up care should be coordinated by your PCP. Whether you were treated inside or outside your Aetna Medicare service area, if your plan requires referrals, you must obtain a referral before any follow-up care can be covered. If your plan does not require referrals you should contact our Member Services department at **1-800-282-5366 (TTY: 711)**, 8 a.m. to 8 p.m., all time zones, 7 days a week before care is received at out-of-network facilities. Suture removal, cast removal, X-rays and clinic and emergency room revisits are some examples of follow-up care.

Ya sea que se encuentre dentro o fuera de un área de servicio de Aetna Medicare, simplemente le pedimos que siga las siguientes pautas cuando piensa que necesita atención de emergencia.

- Llame a la línea directa de emergencia local (por ejemplo, 911) o diríjase al centro médico de emergencia más cercano. Notifique a su PCP tan pronto como sea posible después de recibir tratamiento. O bien, si un retraso no sería dañino para su salud, llame a su PCP.
- Si es admitido en un centro médico para pacientes hospitalizados, usted, un familiar o amigo en su nombre, debe notificar a su PCP o Aetna Medicare lo antes posible.

Si viaja fuera del área de servicio de Aetna Medicare, tiene cobertura de atención de emergencia y de urgencia necesaria. La atención de emergencia siempre se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano.

Cuando se encuentre en el área de servicio de la red, los miembros del plan HMO deben usar proveedores de la red para recibir atención de urgencia a menos que los proveedores no estén disponibles. Cuando se encuentra fuera del área de servicio, se puede obtener atención de urgencia de cualquier proveedor calificado o cuando los proveedores de la red no estén disponibles. Toda atención médica de seguimiento debe ser coordinada por su PCP. Ya sea que haya sido tratado dentro o fuera de su área de servicio de Aetna Medicare, si su plan exige referencias médicas, debe obtener una referencia médica antes de que se cubra cualquier atención de seguimiento. ## Introduction

This booklet provides a list of our network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Aetna Medicare formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under the plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in the plan's Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/23/2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with a ⚙️ to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Aetna Rx Home Delivery®. For more information, please contact

## Introducción

Este folleto proporciona una lista de las farmacias de la red del plan. Para obtener una descripción completa de su cobertura de farmacia, incluso cómo surtir sus recetas médicas, consulte la Evidencia de cobertura y el formulario (listado de medicamentos) del plan de Aetna Medicare.

Llamamos a las farmacias en esta lista nuestras “farmacias de la red” porque hemos hecho arreglos con ellos para ofrecer medicamentos bajo receta a los miembros del plan. En la mayoría de los casos, sus recetas médicas están cubiertas bajo el plan solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que vaya a una farmacia, usted no está obligado a seguir yendo a la misma farmacia para surtir sus recetas médicas, pero puede cambiar a cualquier otra de las farmacias en nuestra red. Nosotros surtiremos las recetas médicas en farmacias fuera de la red bajo determinadas circunstancias como se describe en la Evidencia de cobertura del plan.

Todas las farmacias que pertenecen a la red pueden no ser incluidos en este directorio. Es posible que hayan agregado o eliminado farmacias de esta lista después de la impresión de este directorio. Esto significa que es posible que las farmacias enumeradas aquí ya no pertenecen en nuestra red, o puede haber farmacias más nuevas en nuestra red que no figuran en esta lista. Esta lista de farmacias está actualizada a partir del 09/23/2018. Para obtener la lista de farmacias más actualizada, póngase en contacto con nosotros. Nuestra información de contacto aparece en las páginas de la portada y contraportada.

us or see the mail order section of this pharmacy directory.

This directory is for a geographic area which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact us at the number on your ID card or visit **[www.aetnamedicare.com/findpharmacy](http://www.aetnamedicare.com/findpharmacy)**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Usted puede acudir a todas las farmacias en esta lista, pero los costos de algunos medicamentos pueden ser menores en las farmacias de esta lista que ofrecen costos compartidos preferidos. Hemos marcado estas farmacias preferidas con el símbolo  para distinguirlas de otras farmacias en nuestra red que ofrecen un costo compartido estándar.

Usted puede obtener los medicamentos bajo receta enviados a su hogar a través de nuestro programa de entrega de pedidos por correo de la red que se llama Aetna Rx Home Delivery<sup>®</sup>. Para obtener más información, póngase en contacto con nosotros o consulte la sección de pedidos por correo en este directorio de farmacias.

Este directorio es para una área geográfica determinada alrededor en donde usted vive. Sin embargo, cubrimos un área de servicio más grande, y existen más farmacias en donde sus medicamentos bajo receta podrán ser cubiertos por nuestro plan. Para obtener información sobre más farmacias en nuestra red del plan que no aparecen en este directorio, póngase en contacto con nosotros al número que figura en su tarjeta de identificación o visite **[www.aetnamedicare.com/findpharmacy](http://www.aetnamedicare.com/findpharmacy)**.

Si tiene alguna pregunta acerca de cualquiera de lo antedicho, consulte las primeras y últimas portadas de este directorio para obtener información sobre cómo comunicarse con nosotros.

## Mail order pharmacy

---

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called **Aetna Rx Home Delivery**®.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program called Aetna Rx Autofill. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose

## Farmacia de pedidos por correo

---

Puede obtener los medicamentos bajo receta enviados directamente a su hogar a través de nuestro programa de entrega de pedidos por correo de la red, al que llamamos **Aetna Rx Home Delivery**®.

Si antes utilizó los servicios de pedidos por correo con su plan actual, o si opta ahora por hacerlo, nuestra farmacia completará y enviará automáticamente nuevas recetas médicas recibidas directamente de sus médicos u otras personas que prescriben recetas médicas. Puede optar por no recibir entregas de pedidos por correo automáticas en cualquier momento poniéndose en contacto con nosotros. Si nunca recibió un pedido por correo y/o decide cancelar la entrega automática de sus nuevas recetas médicas, nos comunicaremos con usted cada vez que obtengamos una nueva receta médica de un proveedor, para ver si desea que se llene y envíe el medicamento en ese momento. Esto le dará la oportunidad de asegurarse de que se le entregue el medicamento correcto (incluida la concentración, cantidad y forma) y, si es necesario, le permitirá cancelar o retrasar el pedido antes de que se le facture y se envíe.

Para volver a surtir sus recetas médicas de pedidos por correo, tiene la opción de inscribirse en un programa de recarga automática conocido como Aetna Rx Autofill. En este programa, comenzaremos a procesar su próxima recarga automáticamente cuando nuestros registros muestren que debe estar cerca de quedarse sin su medicamento. Nos
