# Section 1 – Introduction

---

This directory provides a list of Anthem MediBlue Dual Advantage (HMO SNP)'s network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

This directory lists the providers in your area that are part of the network for your plan. When you go to network providers, you are responsible only for any deductible and copayment or coinsurance amounts required by your plan.

## Primary care provider

You will have to choose one of our network providers listed in this directory to be your primary care provider (PCP). Generally, you must get your health care services from your PCP.

**You will need to see your PCP first for your health care needs. Your PCP will arrange for other services, including specialty care, X-rays, laboratory tests and hospital care.**

If you currently have a PCP who provides most of your care, please check to be sure that the provider is part of the network for your plan. If not, you should choose another PCP who is in the network.

If you choose a new PCP, you may want to have all of your past medical records sent to your new PCP's office.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. See your *Summary of Benefits* or *Evidence of Coverage (EOC)* to find out what services require a referral. For certain types of care, your PCP may need to get prior authorization (prior approval) from us before you receive care. See your *Evidence of Coverage (EOC)* to find out what services may need prior

authorization and what services require a referral from your PCP before you receive care.

## Out-of-network care

**You must use network providers except in emergency or urgent care situations or for out-of-area urgently required renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Anthem MediBlue Dual Advantage (HMO SNP) will be responsible for the costs.**

Out-of-network providers are under no obligation to treat plan enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service number at **1-844-533-2091**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. TTY users should call **711**. You may also refer to your *Evidence of Coverage (EOC)* for more information.

When you are in the service area, you must use plan providers for urgent care unless plan providers are unavailable. When you are out of the service area, you may obtain urgent care from any qualified provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

Emergency care can always be obtained in or out of the service area from the nearest available provider. You may receive covered emergency medical care whenever you need it, anywhere in the United States. After your emergency is over, you are entitled to follow-up care. In general, post-stabilization care will be covered according to Medicare guidelines.

# Section 1 – Introduction (continued)

---

If you receive a bill from an out-of-network provider for a type of service that may be covered, you should not pay the bill. Please send it to your plan to be processed and to determine whether you owe any portion of the cost.

## What is the service area for Anthem MediBlue Dual Advantage (HMO SNP)?

The service area is listed below. You must live in this area to join the plan:

Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland and Windham counties of Connecticut.

Due to the large network of plan providers, in addition to this directory, there are other directories for your plan. You may visit our website at <https://shop.anthem.com/medicare> to find other providers in your plan network, or call us at the number on the front cover to request another directory.

## How do you find Anthem MediBlue Dual Advantage (HMO SNP) providers in your area?

If you have questions about Anthem MediBlue Dual Advantage (HMO SNP) or require assistance selecting a PCP, please call our Customer Service number at **1-844-533-2091**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

TTY users should call **711**. You can also visit <https://shop.anthem.com/medicare>.

## Pharmacies listed in this directory

This directory has pharmacies as of September 30, 2018. Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at <https://shop.anthem.com/medicare>. You may also call Customer Service for updated provider information.

This directory provides a list of Anthem MediBlue Dual Advantage (HMO SNP)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage (EOC)* and Anthem MediBlue Dual Advantage (HMO SNP)'s *Formulary*.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Anthem MediBlue Dual Advantage (HMO SNP) only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage (EOC)*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 30, 2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

# Section 1 – Introduction (continued)

---

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with ♦ to distinguish them from other pharmacies in our network that offer standard cost sharing. If you qualify for or receive Extra Help, you will pay the same cost share regardless of whether you use a preferred or standard pharmacy. Please refer to your *Evidence of Coverage (EOC)* for more information.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this directory.

This directory is for **Middlesex, New Haven, New London, Tolland and Windham counties of Connecticut**. However, we may cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan. For information on more pharmacies in our plan network not listed in this directory, please visit <https://shop.anthem.com/medicare>. Or call us at 1-844-533-2091 (TTY: 711).

We also list pharmacies that are in our network but are outside **Middlesex, New Haven, New London, Tolland and Windham counties of Connecticut**. You may also fill your prescriptions at these pharmacies.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

# Mail-Order and Specialty Pharmacies

---

You can get prescription drugs shipped to your home through our network mail-order delivery program.

If you have used mail-order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us. If you never had mail-order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail-order prescriptions, please contact us 30 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **1-844-533-2091** (TTY: 711).
