Section I – Introduction

This directory provides a list of ConnectiCare’s Medicare Advantage network providers for Passage Plan 1 and Passage Dual in the counties of Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland and Windham. This directory is NOT for members of Choice (HMO) & Flex (HMO-POS) Plans. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

To join Passage Plan 1 or Passage Dual, you must select one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). To join Passage Plan 1 or Passage Dual, you must select a PCP in the Passage Plan 1 or Passage Dual network. If you do not select a PCP in the Passage Plan 1 or Passage Dual network, one will be selected for you. At any time, you can select a different PCP in the Passage Plan 1 or Passage Dual network. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

The “network providers” listed in this directory have agreed to provide you with your health care/vision/dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. You may go to any providers listed in this directory, however:

- 1. You will need a referral from your PCP to see one of our network Specialists for consults.**
 - **For Passage Plan 1, you will only need PCP referrals for the following services: Chiropractic care, Podiatry (foot care) and Pain management specialist.**
 - **For the Passage Dual plan, please see the Summary of Benefits or your Evidence of Coverage for more information on PCP referrals needed.**
- 2. You will not need a referral from your PCP to see other network providers, like labs, for both Passage Plan 1 and Passage Dual. However, some services may require prior approval from ConnectiCare.** For more information please call ConnectiCare’s Member Services Department at 1-800-224-2273, 8 a.m. to 8 p.m. ET, seven days a week. TTY users should call 1-800-842-9710.

Out-of-network coverage

All ConnectiCare Medicare Advantage Plans cover worldwide emergency care and urgently needed services; see your Evidence of Coverage for your cost share. You do not need to get approval from your PCP or other network provider for emergency or urgent care. When your condition has stabilized, you are still entitled to poststabilization care. In general, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

If you are enrolled in the ConnectiCare Passage Plan 1 or Passage Dual, you must use plan network providers except in emergency or urgent care situations, for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor ConnectiCare will be responsible for the costs.

Section I – Introduction

When you receive covered services from an out-of-network provider, ask the provider to bill ConnectiCare directly. However, if you receive a bill from the provider, do not pay, please send it to the address below. You are only responsible for paying your plan cost sharing amount as long as the provider is Medicare-approved and accepts Medicare assignment.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at connecticare.com/medicare. You may also call ConnectiCare's Member Services Department at 1-800-224-2273, 8 a.m. to 8 p.m. ET, seven days a week. TTY users should call 1-800-842-9710.

Section I – Introduction

This booklet provides a list of ConnectiCare’s network pharmacies in the counties of Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland and Windham. We also list National pharmacies that are in our network but are outside Connecticut. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and ConnectiCare’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by ConnectiCare. In most cases, your prescriptions are covered under ConnectiCare only if they are filled at a network pharmacy or through our Mail Order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription; you can switch to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 6, 2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with “Preferred” to distinguish them from other pharmacies in our network that offer standard cost-sharing. We have marked the pharmacies that offer standard cost-sharing with “Standard.”

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts Home Delivery Service. With Express Scripts Home Delivery Service, you have the choice to sign-up for automated mail order delivery. Enrollees should expect to receive their prescriptions within 3-5 business days for refills and 10 business days for a new prescription. If your prescriptions do not arrive within this time frame, please call Express Scripts at 1-877-866-5828. For more information, please contact us or see the Mail Order section of this pharmacy directory.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at connecticare.com/medicare. You may also call Member Services for updated provider information.

We also list pharmacies that are in our network but are outside the State of Connecticut, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please call ConnectiCare’s Member Services Department at 1-800-224-2273, 8 a.m. to 8 p.m. ET, seven days a week. TTY users should call 1-800-842-9710. If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact ConnectiCare.

Section II – ConnectiCare Medicare Advantage Network Pharmacies: Mail Order

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts Home Delivery Service.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 7 business days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please call ConnectiCare’s Member Services Department at 1-800-224-2273, 8 a.m. to 8 p.m. ET, seven days a week. TTY users should call 1-800-842-9710.

Typically you should expect to receive your new prescription drugs within 10 business days and refill prescription drugs within 5 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, or if you have questions about any of the above, including instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please contact us at the telephone number above.

Section I – Introduction

This section provides a list of network dental providers for ConnectiCare Medicare Advantage Plan members who have purchased the Optional Dental Plan. For more information, including exclusions and limitations, please see your Evidence of Coverage.

The network providers listed in this directory have agreed to provide you with dental care.

What is the service area for ConnectiCare?

Our service area includes all eight counties in the State of Connecticut. This directory provides a list of ConnectiCare Medicare Advantage current network dental providers in the counties of Fairfield, Hartford, Litchfield, Middlesex, New Haven, New London, Tolland and Windham.

How do I find ConnectiCare network providers in my area?

There are two quick ways to find a dentist who participates in our network:

1. Use "Find Your Doctor or Hospital," our Online Provider Directory, at connecticare.com/medicare. It has the latest additions and changes to our provider network;
2. Look in the printed directory for a network dental provider in the town in which you live or work (or nearby).

The information in the printed directory is accurate as of August 24, 2018. Provider participation is subject to change at any time throughout the year and cannot be guaranteed. Before you visit any dentist, make sure to confirm that his or her network provider status has not changed by calling the dentist's office.

For the most recent changes and additions to our dental provider network, you can use "Find a Doctor" at connecticare.com/medicare. You can also call BeneCare Member Services at 1-866-687-6999 from 8 a.m. to 8 p.m. ET, seven days a week. TTY users should call 1-800-842-9710.

Beginning January 1, 2019 you can call DentaQuest Member Services at 1-888-227-3310 from 8 a.m. to 8 p.m. ET, seven days a week. TTY users should call 1- 800-466-7566.

Can I receive care from non-network providers?

Yes, however, you save money when you use network dental providers (dentists who are listed in this directory or our online Provider Directory). If you see a non-network provider for covered dental services, the provider may bill you for the difference between the contracted dental rate and the rate charged by the non-network provider. You should ask the non-network provider to bill ConnectiCare directly using the address on the back of your dental ID card.
